employees in  
12 countries

**900+**

employees are dedicated to  
research and development  
(R&D) and next-gen solutions

**100%**

focused on higher  
education

## 3 Building the Institution of Tomorrow

Your primary focus is on student success. Ours is on powering the business of higher education. To educate with quality and at scale, technology must evolve to meet changing expectations. Ellucian delivers solutions to power the future, build institutional resilience and provide a technology framework that will grow with you.

- **Accelerate Technology Transformation**  
Enable institutions to chart the best path forward based on their unique goals and needs.
- **Support Student Outcomes**  
Activate data to make students and staff successful at every stage of the student lifecycle.
- **Expand the Technology Ecosystem**  
Build a scalable, secure and interoperable ecosystem to allow technologies to work together seamlessly across all critical institutional functions.

“

Our migration to the cloud and Banner upgrade has given us a set of crucial capabilities that help unlock our ability to focus on truly what matters to us and our core business. We can now emphasise innovation and improvement over maintenance.

**Michael Johnson**  
Chief Information Officer  
*Royal Holloway, University of London*

## 4 Comprehensive Ecosystem of Integrated Solutions

Ellucian's SaaS ecosystem of scalable, secure and interoperable technologies helps you stay agile, maximize investments and integrate data institution-wide to inform decision-making.

- **Student Information Systems (SIS)** made to create efficiencies, keep constituents informed and deliver engaging experiences.
- **Student Financial Success** solutions to remove financial friction, streamline processes and unlock every dollar.
- **Constituent Relationship Management (CRM)** products for recruitment, enrolment, advising, financial aid, advancement and alumni relations.
- **Continuing education and workforce development** solutions to manage your non-credit programs effectively while integrating with your student system.
- **Professional services** ranging from implementation and IT management to grant writing and business process optimization.
- **Open SaaS platform** that integrates with third-party partner applications.
- **Ellucian's Partner Network** to extend your application footprint and adopt new software without the need for customizations. [Learn more here.](#)

# 5 Flexible Paths to SaaS

Your institution's strategy should determine your technology destination—and how quickly you get there. Remove complexity, innovate with purpose and build your future with flexible paths to SaaS.

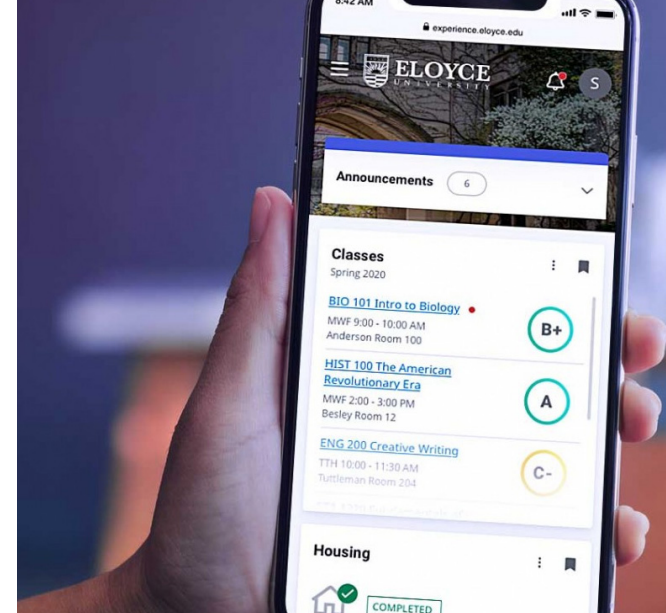

- First to market with two fully functional SaaS student information systems
- 15+ years of delivering SaaS solutions
- 1,600+ higher education institutions use an Ellucian SaaS solution

## Best Practices that Protect Your Critical Systems and Information

With Ellucian, you get the benefits of deep expertise and a singular focus on the unique needs of learning institutions. **Partnering with AWS** enables us to leverage the native security functionality on their industry-leading platform to better secure your systems, giving you a first-class solution and immediate protection from unforeseen events. Ellucian brings:

- ISO 27001 certification for information security
- Independent SOC1/2/3 reporting simplifies IT and financial audit support
- Ransomware protection with frequent, consistent system data backup

Security and privacy are integral to fulfilling Ellucian's mission to lead the digital transformation of higher education in the cloud."

**Josh Sosnin**  
Senior Vice President and Chief Information Security Officer  
*Ellucian*

## ⑥ A Global Community of Higher Education Leaders

As a technology company focused exclusively on higher education, Ellucian provides numerous opportunities to learn and connect with others in the industry.

- **Annual Ellucian Impact Award** celebrates higher education visionaries who inspire others to push the boundaries of technology and innovation.
- **The Progress, Accomplishment, Thriving, Hope (PATH) Scholarship**, established by the Ellucian Foundation in 2020, provides funding to help students stay on track with their studies. To date, over \$1.6 million in PATH Scholarship funds have been distributed to more than 1,900 students in financial distress

**Ellucian maintains industry relationships** with key higher education associations and related entities, such as Educause, NACUBO, CUPA-HR, AACRAO, AACCC, ACE, ACCT, CCBO, HEUG, CASE, the US Department of Education and the IRS.
