Enrollment Success

Break Down Barriers to Enrollment & Retention with Ellucian's Solutions for Enrollment Success

Navigating the complex landscape of student enrollment demands innovative solutions that address multiple challenges simultaneously. This package of Ellucian solutions work in synergy to diversify recruitment efforts, promote financial aid transparency, and streamline scholarship processes. Unlock the potential of every student, remove barriers to enrollment, and pave the way for a future where higher education is accessible, transparent, and inclusive.

Introducing Ellucian Enrollment Success Package

	Enrollement Success Package	Boost Enrollment and Retention
CRM Recruit	✓	Prospective student and admissions engagement
ClearCost	✓	Personalized net price calculator
CampusCommunicator	✓	Digital offer letters and notifications
ScholarshipUniverse	✓	Streamlined scholarship management
RaiseMe Enrollment	✓	Precise student recruting and engagement solution

Together, these solutions create a seamless ecosystem that optimizes student enrollment, streamlines scholarship management, enhances communication, and simplifies the student journey. Ellucian's Enrollment Success package transforms challenges into opportunities and dreams into reality.

"Equipping students with Ellucian's high performance software has revolutionized the student journey. They can now access online resources and submit all their documentation in minutes. It has empowered our office to achieve a better work-life balance and improved our performance."
